PAINTINGS WITH PURPOSE

Founded in 2020 and born from a personal journey of healing, Art For The Soul has grown to become synonymous with mindful interiors.

Consciously created to evoke calm in the home and the heart, each piece is original and completely unique.

THE MEDITATION COLLECTION

SIT BACK, RELAX AND ENJOY SOME QUIET TIME...

The Meditation Collection is an ongoing series of work created in a neutral colour palette to encourage slow, mindful living.

Subtle texture
adds interest and invites the viewer
to engage in mindful contemplation.

SERVICES

As well as providing ready-to-go pieces and individual commissions, Art For The Soul gives you the option to purchase a complete set of artwork for any interior or styling project.

These unique packages are designed to allow interior designers and home stagers the flexibility to build their own bespoke portfolio of original art and are offered at a significant trade discount.

Artwork can also be hired copyright free for photoshoots and filming on request.
